

# HUB NEWS

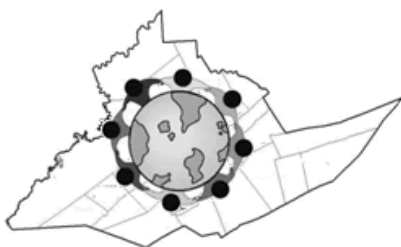

---

The Hub staff thanks everyone for their continued support. Your generosity and support has been greatly appreciated. We have had mission teams from various other area churches come and volunteer their time putting together and verifying kits.

We recently donated 360 health kits to Mission Central to be sent to Haiti. The need in Haiti is still great and Mission Central has sent out a request that they are in need of other kits also.

We've decided that we are going to switch our focus for a while on these other kits. (We will still collect items for health kits and send them to Mission Central.) The two kits we have decided to provide are **Birthing Kits** and **Layette Kits**.

Following is a list of items needed for each kit. Please feel free to donate any item on the list, any monetary donation or if you would like to come and help put together or verify kits please watch for times in the bulletin when we will be getting together.

## Birthing Kits:

- 1 Hotel size bar of soap (1oz. and up)
- 1 pair of clean latex gloves
- 1 square yard of clear 4 mil. plastic sheeting
- 3 pieces of clean string--- each 12 inches long
- 1 clean single use razor blade
- 2 flannelette receiving blankets, each 1 square yard

## Layette Kits:

- 6 cloth diapers
- 2 shirts or 2 one-piece body suits
- 2 baby washcloths
- 2 gowns or sleepers
- 2 diaper pins
- 1 sweater open in the front
- 2 receiving blankets

All items for both kits must be new items.
