Valley Ministry HUB Coordinator Needed

The Valley Ministry HUB is in need of a new HUB coordinator. If you have a heart for mission and a desire to serve, please consider becoming the new Valley Ministry HUB coordinator. As the HUB coordinator, you will act as a liaison between Mission Central and the HUB center.

The HUB's current main focus is assembling Health Kits. The HUB center is in a covenant agreement with Mission Central, and while there are guidelines that we need to adhere to, there is no set job description for this position. Some responsibilities of the HUB coordinator may include keeping others informed of HUB and Mission Central needs/activities and organizing work nights/fundraisers as needed.

If you would like more information on the HUB coordinator position, please contact Pastor Duane at 355-2208.

Please consider if you are being called into this exciting ministry!
